Types of Toei Bus Vehicles

- Non-Step Bus**: The floor of this bus is just under 30cm from the road, making it easy to get on and off. The orange and green body is a distinctive feature.
- Full Flat Bus**: The aisles on this bus are flat all the way to the back, making it easier for passengers to move to the back and reducing congestion at the front of the bus.
- Fuel Cell Bus**: This eco-friendly bus only emits water while in operation. Its motor runs on electricity generated by a chemical reaction between hydrogen and oxygen.
- EV Bus**: This environmentally friendly bus emits no exhaust fumes while in operation and runs on electricity stored in batteries.

How to Ride the Toei Bus

01 Check the bus destination

Line number Destination (via.)

Route to end point

Get on from the front door: Please ride with the stroller through the front door. In the case of a horizontal double stroller, please talk to the crew from the front door.

Get off the rear door: For use with a wheel-chair, after the crew prepares the ramp, please get in from the rear door.

02 Pay the fare when you get on the bus
