Barrier-free information

All the Toei buses are non-step buses

Can go ahead through the introduction of the non-step bus which you are easy to get in and out of to old one and impaired
I came, but all vehicles became the non-step bus from April 1, 2013.

The ride with the wheelchair is possible, too

- A ramp is stowed in the middle of the bus.
- There is a space especially for strollers on the bus.
- The bus is equipped with a belt to secure strollers.

You can take it without folding a stroller

In fixing a stroller with a supporting belt with the metropolitan bus, You can take it with picking up a child on the stroller.

For details, see "How to ride the bus with a stroller" on our website.
