## What is “Sotsutabi Otsuka”?

An accommodation plan in which OMO fully supports the creation of students' last memories during the spring graduation trip season.

You can enjoy a nostalgic rediscovery of Tokyo by riding a retro-style tram.

### ★ Devices to make a trip fun

#### Part 1: Sotsutabi bag

For guests, we will present you the original “Toden Walk Map”, “OMOide (memories) Travel Note” and “Sotsutabi bag” with an instant camera and a tumbler inside.

#### Part 2: Support for staying up late

As a support to make the night further excited when you cannot stop chatting, we have prepared “Toden Highball” made of “Toden Whiskey” and “Dokidoki (Throbbing)! OMOide Box”. The OMOide Box contains a card with a talk theme written on it, so you can have a nice long talk remembering shared memories among a group of friends.

#### Part 3: Memorial photo spot

A memorial photo spot where you can take commemorative photos of your graduation trip will be available for a limited time. In addition, we have prepared a photo panel with a motif of Toden and Otsuka. So, you can take one of your memories to end your journey.
